FREECALL 1800 108 140

## STRUCTURAL TIMBERS

Nullarbor timbers date back from 40 to 140 years old and have been collected nation wide.

Structural posts and beams have been salvaged from bridges, wharves, woolsheds and wool stores.

Sizes range from 9m x 450 x 350.

We can supply timber "as is" or to any stage of manufacture
